1. nationals of France and Spain, providing they hold a valid national ID card.

Visas

2. There are no visa requirements for entry into Andorra for stays of up to three months; however, the relevant regulations for France or Spain should be followed, depending on which country is transited to reach Andorra. Andorra is not part of the Schengen area. People entering Europe on a Schengen visa should therefore make sure that their visa entitles them to repeated visits to prevent them from being refused entry to Spain or France following a stay in Andorra. Visitors wishing to have their passport stamped with the Andorran coat of arms should apply to the Sindicat d'Iniciativa in the capital.
